Make-up Time

Make-up time will take place outside of regular school time and will provide students the opportunity to prevent the loss of credit.

1. Absences beyond the nine allowed per semester may be made up at Saturday school sessions held at the high school at the end of each term or as needed.
2. Saturday school work will be provided by the regular course teachers and work time will be supervised by a teacher or administrator.
3. Students will also have the option of attending Summer school in June to recover attendance days towards credit recovery.
4. Missing and additional course work completed at Saturday/summer school will be graded and applied to the student's final grade.
5. Students who choose to not attend either of these options after exceeding the allowed 9 days will automatically lose credit in the course(s) and will be required to make up the credit the following year.
