

Certificated Staff Grievances

The Board recognizes the importance of establishing reasonable and effective means for resolving difficulties, which may arise among employees, to reduce potential areas of grievances and to establish and maintain recognized two-way channels of communication between supervisory personnel and staff.

It is the Board's desire that procedures for settling certificated staff grievances be an orderly process within which solutions may be pursued. Further, that the procedures provide prompt and equitable resolution at the lowest possible administrative level. Additionally, it is the Board's desire that each certificated employee be assured an opportunity for orderly presentation and review of grievances without fear of reprisal.

Grievance Definition

A grievance pursuant to this policy shall be a written allegation of a violation of Board approved District policies or a written allegation of a violation of the Master Agreement between the District and the teachers' association. All grievances shall contain a concise statement of the disagreement and the contract provision(s) which is/are allegedly violated.

Grievance Procedure

Every effort shall be made to settle grievances at the lowest possible level of the grievance procedure. Grievances will be processed in the following manner and within the stated time limits. After school is out, days shall mean week days exclusive of holidays.

The District will first review the collective bargaining agreement for any applicable grievance procedures. If such a provision exists, such procedures shall govern the resolution of certificated staff grievances.

A staff member with a grievance is encouraged to first discuss it with their immediate supervisor, with the objective of resolving the matter promptly and informally. An exception is that complaints of sexual harassment or violation of any other protected status should be discussed with the first line administrator that is not involved in the alleged harassment. This attempt at informal resolution is not a required component of the grievance policy but is suggested in an effort to attempt to resolve disputes informally.

If the grievance is not resolved informally, and the grievant wishes to continue to seek to address the grievance, the grievant shall file the written grievance with their immediate building principal. The written grievance shall state:

1. The policy or provision of the Master Agreement the employee believes was violated;
2. The alleged date of violation;
3. The actor involved in the alleged violation; and
4. The remedy requested by the employee.

The written grievance must be filed with the immediate building principal within 25 working days of the date of the initial event allegedly giving rise to the grievance.

The immediate building principal or designee of the building principal shall meet with the grievant and shall, at the discretion of the principal or designee, conduct whatever additional meetings or investigative activities the principal or designee believes are necessary to address the grievance.

Subsequent to these activities and within a period of five working days, the principal shall provide the grievant with a written response to the grievance of the certificated employee.

If the principal or designee does not provide a written response to the grievance at the conclusion of five working days and no extension of this time period has been agreed to between the grievant and principal or designee, the grievance shall be advanced to the Superintendent without written response of the principal or designee.

If the grievant is not satisfied with the decision of the principal or designee, the individual shall have a period of ten working days to advance the grievance to the Superintendent by submitting a written objection to the decision with the Superintendent. The written grievance shall give a clear and concise statement of the alleged grievance including the facts upon which the grievance is based, the issues involved, the agreement provisions involved, and the relief sought.

Grievances involving more than one employee, involving an administrator above the building level, or promulgated by the Board may be filed formally with the Superintendent.

Upon receipt by the Superintendent, the Superintendent or his or her designee shall schedule a meeting between the parties and the principal. The parties shall be afforded the opportunity to either dispute or concur with the principal's report. An Association representative may, unless refused by the grievant, participate in this process. The Superintendent or designee shall, within a period of 10 working days, decide the matter notifying all the parties in writing of the decision. The decision of the Superintendent or designee shall be controlling, regardless of whether it is in agreement or in disagreement with the decision of the principal.

If either party is not satisfied with the decision of the Superintendent, the Board is the next avenue for appeal. An Association representative may, unless refused by the grievant, participate in the Board appeal process. A written appeal must be submitted to the Board within five days of receiving the Superintendent's decision. The Board is the policy-making body of the District, however, and appeals to that level must be based solely on whether or not policy has been followed. Any individual appealing a decision of the Superintendent to the Board bears the burden of proving a failure to follow Board policy.

The Board will attempt to hear grievances outside of school hours. If the Board finds it necessary to hear a grievance during school hours, the grievant and necessary witnesses shall suffer no loss of pay for attendance at the Board's hearing.

Each party shall bear all costs of producing their own witnesses, preparation of exhibits and other materials to include the production of a record or transcript of the proceeding unless such record or transcript is desired by both parties.

Upon receipt of a written appeal of the decision of the Superintendent, and assuming the individual alleges a failure to follow Board policy, the matter shall be placed on the agenda of the Board for consideration not later than their next regularly scheduled meeting. A decision shall be made and reported in writing to all parties within 6 days of that meeting. The decision of the Board will be final.
