

High School Graduation Requirements

**STEM Diploma**

The Board may award a STEM Diploma to every student enrolled in the School District who meets the requirements of graduation established by the School District and also completes the following:

1. Eight credits in mathematics;
2. Eight credits in science; and
3. Five credits in the students' choice of any or all subjects of science, technology, engineering or mathematics.

Students who have completed eight or more credits in mathematics that include algebra II or a higher-level mathematics class before the student's senior year are not required to take a mathematics class in the student's senior year.

The official transcript will indicate the specific courses taken and level of achievement.
