

Miscellaneous Procurement Standards

Procurement Generally

When making purchases with federal funds, the District will follow its procurement policies and procedures which reflect applicable State and local laws and regulations, provided that the procurement practice also conforms to applicable Federal law and the standards identified in applicable federal regulations. See Policies 7410, 7408 and 7420.

Authorization and Control

It is the policy of this District to conduct its purchasing program in a manner to ensure optimum use of District funds. The Board, or its designee, reserves the right to determine what is in the best interest of the District.

Micro-Purchase Procedures

Notwithstanding the process for Superintendent-approved purchase outlined in Policy 7405P, when using federal funds the Superintendent or designee may purchase supplies or services using simplified acquisition procedures when making aggregate purchases of \$3,000 or less, and when making such purchases shall otherwise comply with all applicable District purchase order procedures.

Simplified Acquisition Procedures

When procuring goods or services, whether with federal or state funds, the district shall comply with all requirements and procedures set forth at District Policies 7410, 7408, and 7420 and applicable Idaho law. For purchases less than the federal Simplified Acquisition Threshold (currently \$150,000), the Board may adopt small purchase procedures which do not otherwise conflict with District Policies 7410, 7408, and 7420 or applicable Idaho law. Absent such Policy, all purchases for amounts less than the simplified Acquisition Threshold, shall comply with the requirements and procedures set forth at District Policies 7410, 7408 and 7420 and applicable Idaho law.

Cooperative Purchasing

The District may cooperatively enter into contracts with one or more districts to purchase materials necessary or desirable for the conduct of the business of the District provided that the purchasing cooperative follows State purchasing and federal procurement requirements.

3. The interested employee will not be involved in any part of the bidding process, including but not limited to, preparing specifications, advertising, analyzing, or accepting bids; and
4. This policy will apply to any organization, fund, agency, or other activity maintained or operated by the District.

No employee will solicit gifts, gratuities, favors, prizes, awards, merchandise, or commissions as a result of ordering any items or as a result of placing any purchase order with a business, contractor, or vendor on behalf of the District nor accept anything of monetary value from a business, contractor, or vendor except for unsolicited gifts of \$50 or less in value for food and refreshments of nominal value offered during a business luncheon, dinner, or conference and unsolicited nominal gifts of less than \$10 value when the gift stems from a personal or family relationship.
